# Advanced Materials Congress in 2017

Dear Readers,

A very Happy New Year 2017!

International Association of Advanced Materials (IAAM, [www.iaamonline.org](http://www.iaamonline.org)) is pleased to announce cruise congress in Asia, Europe and America in year 2017 with collaboration of VBRI Press AB, Sweden ([www.vbripress.com](http://www.vbripress.com)). The goal of congresses is to provide a global platform for researchers and engineers coming from academia and industry to present their research results and activities in the field of fundamental and interdisciplinary research of materials science and technology.

Advanced Materials World Congress (AMWC, [www.vbripress.com/amwc](http://www.vbripress.com/amwc)) will be held on the Royal Caribbean Cruise Ship "Navigator of the Seas" cruising from Miami (USA) - Puerto Costa Maya (Mexico) - Cozumel (Mexico) - Miami (USA) during 03-08 December, 2017.

American Advanced Materials Congress (AAMC, [www.vbripress.com/aamc](http://www.vbripress.com/aamc)) will be organized at Embassy Suites by Hilton Miami International Airport, Miami during 10 - 12 December 2017. Please submit your abstract by our online abstract submission system of the respective congress and circulate this information to your collaborators/ colleagues/ students/ institute/ University in order to encourage maximum number of participation.

Look forward to see you on board.

With kindest regards,
